

# Consistent PCB Rework/Repair Innovation

2008

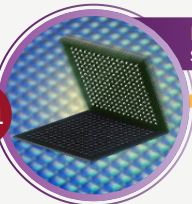

**StencilQuik™**  
Fast BGA Placement and Mask Repair

2009

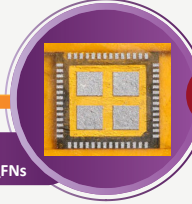

**PCB Repair Tools**  
Full line of PCB Repair Tools

2011

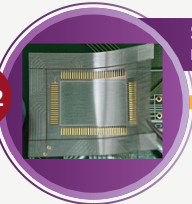

**EZReball™**  
Simple to use reballing preform

2010

**StencilMate™**  
Bumping stencils for QFNs

2012

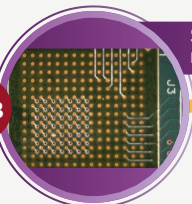

**StikNPeel™**  
Fast, reliable rework stencil

2012

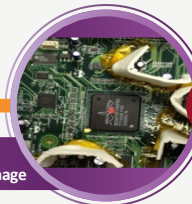

**Metal Stencils**  
Full line of metal SMT stencils

2013

**StencilMask™**  
Fast mask repair process

2013

**HeatShields™**  
Protecting components from heat damage

2014

**PCBVac™**  
Vacuums liquids and solids from PCB

2015

**HeatShieldGel™**  
Protecting components from heat damage
